**Inha+ is Waterproof**
- ALWAYS use water-based lubricant.
- Silicone-based / oil-based lubricants / other oils such as massage oil or baby oil may cause damage to the product material.
- Waterproof up to 50m, refrain from use in deeper water.
- Use for water may cause water to enter the body. Please ensure use in a hygienic environment.

**Directions for use**
1. Always disconnect from power source before cleaning.
2. Clean Charging Base with damp cloth.

**Caution**
- Never place Charging Base in water. This may cause damage to or short circuit the Charging Base, or cause a fire hazard.
- Please wash with cold or tepid water.
- For extra cleaning please use a mild soap.
- Do not clean with hot water.
- Do not place in hot or cold water for extended periods of time.
- Do not clean with alcohol or highly acidic/disinfectant cleaners. This may cause disfigurement of product.

**Directions for storage**
Store in a cool, dry place away from direct sunlight. Heat and sunlight may cause malfunction, disfigurement and fire hazards.

**Troubleshooting**
- If the product doesn’t turn on.
  - Has the product been charged?
  - Is the USB Cable properly connected to both Charging Case and power source?
- If the product stops working even after charging.
  - Has the product been fully charged?
  - Please recharge the battery completely until the product stops, and fully charge. There may be occasions when doing this multiple times will solve the problem.
  - If the problem persists, it may be that the battery life has ended.
- If the product won’t charge.
  - Is the USB Cable properly connected to both Charging Case and power source?
  - Is the product placed properly (facing the correct direction) on the Charging Base?

Safety Instructions

Thank you for purchasing an Imaí brand product. For the safe and long-term use of this product, please read all instructions carefully and store this manual in a safe place. ALWAYS use in accordance to the following instructions. TENGA Co., Ltd. can not be held liable for any use outside of that stated in this user manual.

⚠️ DANGER ⚠️

To avoid risk of injury, dangerous electric shock, burns or fire hazards before, during and after use, as well as malfunction of product.

This product is intended for use to assist massage of body or stimulate erogenous zones. DO NOT use for any other purpose or in any other manner than stated within this user manual.

- This is NOT a medical device.
- This is NOT a children’s toy. Please keep out of reach of children.
- ALWAYS use water-based lubricant.
- Please store in a cool, dry place away from direct sunlight.
- DO NOT plug in any device with wet hands.
- DO NOT use under blankets or other sealed areas, or any place with high temperatures and humidity to prevent the risk of overheating and possible fire hazards, electric hazards or injury.
- DO NOT drop or expose to extreme force as this may cause damage.
- DO NOT place heavy items on top of, nor place hot items near all items.
- DO NOT place any other metal items on the Charging Base.

⚠️ Medical Warning ⚠️

If you have a pacemaker or other electric medical instrument, are pregnant, are being treated for any medical instance, or otherwise have any concerns regarding your health, please consult a doctor before use of this product.

- DO NOT use on any damaged, irritated skin or any other bodily areas requiring medical attention.
- DO NOT share this item with others to avoid transmission of disease or the passing of pathogens.
- DO NOT use on one spot of the body for over 15 minutes.
- DO NOT use in the following conditions for health concerns:
  - Under extreme stress or tiredness.
  - Under the influence of alcohol.
- This product is not designed for use by those with physical or mental disabilities. Persons in such conditions should consult a medical professional or a person responsible for their safety before use.
- DO NOT use product on upper neck or head.
- DO NOT use product on or make contact with eyes or nipples.
- If you feel unwell during use of product, please stop use immediately and seek medical attention.

Product Warranty

- This product is covered by Product Warranty for ONE (1) YEARS from Original Date of Purchase against defects due to fault of production or materials. If you discover a defect during Product Warranty period, TENGAs, Ltd. will provide a replacement, free of charge, at its discretion.
- Product Warranty covers working parts of the Product and does NOT cover the following:
  - If you fail to show both this User Manual and Original Purchase Receipt.
  - Abnormal usage methods, or usage methods deemed inappropriate or otherwise mentioned as invalidating Warranty in this User Manual.
  - Damage made during delivery of product, moving of product or accidental damages.
  - Cosmetic damage due to fair use of Product.

Regarding Disposal

Regarding disposal of Waste Electrical and Electronic Equipment (WEEE). The symbol below of a crossed-out dustbin indicates that this item should be taken to an appropriate collection point for proper disposal. Please do not dispose with household waste.
